

IMPORTANT ROADWORKS INFORMATION

15 September 2026

A272 Haywards Heath Road, Chailey Common

Dear Resident / Business owner,

We'll soon be installing new signs and road markings on the A272 Haywards Heath Road, Chailey Common, as part of our ongoing road safety programme.

When do they start?

Work will be carried out on **Monday 5 October 2026** between 9:30am and 2:30pm.

We will inform you of any changes to the dates or times via advanced warning signs on site.

How will this impact highway users?

We'll be working between Birchlea and Rose Cottages.

The road will remain open with temporary traffic lights in place for the duration of the works.

Please be polite and respectful to the site teams, they are working to keep everyone safe.

Information for residents and businesses

Parking: If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may notice some noise, flashing lights, or reversing sirens. We will do our utmost to keep this to a minimum.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network. Should you have any concerns regarding these works, you can contact us at eshcomms@balfourbeatty.com.
